NOTIFICATION

To avoid the severe traffic congestion between CFM and Ka Ja Throm, the Department of Agricultural Marketing and Cooperatives would like to request our farmers and vendors from the nearby dzongkhags to avoid using the space between Ka Ja Throm and CFM to do retail business from their vehicles directly.

To facilitate our farmers and vendors in marketing their produce, we are pleased to notify that there are 12 vacant stalls at Ka Ja Throm and 77 vacant stalls at CFM ground floor, and all are encouraged to utilize the vacant stalls to do retail business.

Anyone interested to operate the stalls are requested to contact CFM Management at 337465/17876335.

Anyone not complying to the notification may be subjected to fines and penalties applicable by other competent authorities and the Department will not be able to attend to your grievances.

Kinlay Tshering
Director
Department of Agricultural Marketing & Cooperatives
